Dear Businessman:

The recent riots in the New Jersey area have compounded the problems of Negro business and professional people. Business has been disrupted, personal and business property destroyed, and hardships of various kinds have been imposed upon all of us.

The I.C.B.O. stands ready to give you free assistance in recovering from this grievous disaster. We encourage you to call for an appointment or come in to our office for assistance.

We are prepared to help you with insurance problems, securing financing, relocation, renovation, reconstruction, and general business rehabilitation in addition to any other business problems you may have. THERE IS NO CHARGE FOR OUR SERVICES.

Although our staff is small, we will do all within our power to handle your problems swiftly and efficiently. All of our files are absolutely confidential.

If you know of any other people who are in need of our services, please suggest that they call our office.

Sincerely yours,

George D. Kelsey, II
